- 2.6. Any player, or team, not fulfilling the playing commitments of a competition by failing to attend on Finals, shall forfeit the right to receive any trophies, prizes, or prize monies that may be due in relation to that respective competition, unless the Executive has given prior permission for the absence.

Current signed and playing Middlesex County players who hold a PDC tour card, and any current player who gains a PDC tour card in the January (mid-season) shall be exempt from this quota. - 3.1.3. Each mens team shall be afforded the right to sign on one female player, as long as the player is registered to a Middlesex Ladies Super League team and declared as available for Middlesex County for that same season when submitting the UKDA registration form, as mentioned in 3.1.6

- 3.1.5. No team shall play more than 20 players in K.O. competitions in any season.
- 3.1.6. All players must be registered with the league by completing a UKDA registration form. The registration form for each player must be received by the Result Secretary within seven days of that player taking part in a League match. Breach of this will result in that a deduction of one game point for each game said player played, regardless of the result of that game point.
- 3.1.7. Players may be registered by member teams at any point during the playing season, unless the player is subject to Rule 3.1.1, where they can only be registered prior to 1st January in any given season.
- 3.1.8. No player shall be allowed to transfer to any other team once the season has begun, unless that player was in a team that has resigned, or been expelled, from the League.
- 3.1.9. A player must sign the match sheet for at least 50% of League matches to be allowed to enter into the League competitions.
- 3.1.10. Each team will be allowed to sign on an unlimited number of male players, subject to the teams' compliance with Rule 3.1.1, with each team subject to a registration fee of £10 per player, paid to Middlesex County

- 3.1.11. All players must be registered with the League by completing a UKDA registration form. The registration form for each player must be received by the Result Secretary by 16:00 on the Friday following the League match the player first registered an attendance at. Breach of this will result in a fine of £5 per player, per match attended until the registration form has been received.
- 3.2. The League's representative (County) team shall be drawn from the male playing members of the League.
- 3.3. Players shall complete such registration procedures which may be prescribed by the Council and shall agree to the prescribed conditions, before representing the League in any representative game.
- 3.4. The Council may, at its discretion, amend the provisions as regards formal registration for internal competitions, as in 3.1.5. above.
- 3.5. No player, having once been knocked out of a K.O. competition (either as an individual, or as a member of a losing team), shall play again in that competition, either as a substitute for another player, or in his own right, except that where a breach of the League's rules has occurred which materially affected the losing player (the breach not being occasioned by him), the Council may, at its discretion, re-instate him in the competition, either in substitution for, or in addition to, the winning player. The foregoing shall be construed as embracing any number of players up to, and including, a complete team.

5.2.1. Any match forfeited by an away team in the middle turnaround of any season subject to Rule 5.2, will subsequently enforce a reversal of the final fixture between the same two sides. This rule will not be enforced for home sides who forfeit during the same period.

No pairs with less than two players from both sides are to be played.

In the event of both teams having less than 8 players, the team with the higher number of players (if applicable) will select the players of its choice to be drawn in the singles against the opposing team. In the event that both teams have the same number of players, the singles will be drawn as normal with the players available. The remaining singles will be awarded to the team with the higher number of players (if applicable). Any non-contested singles or pairs due to lack of players on both sides, will be declared void.
